Collections & Photographers Monographs

Photo Books of photographers' work (definitely ones to look for in your local library, as not many of these books are bargains!)

Arnold Newman, Arnold Newman (portraiture)
La Chapelle Land, David LaChapelle (portraiture)
Robert Capa, Phaidon (body of work)

Magazines and Journals

Portfolio (Contemporary Photography), www.portfoliocatalogue.com
The British Journal of Photography – Incisive Media (Professional Weekly), bjp-online.com

Most of the authors behind the selections on this list have written a number of other great books. Also, with many talented people sharing on social media and the huge variety of publications online, there are plenty of ways to learn new things.
