

Subject Ambassador Role and Responsibilities 2022

Bohunt School is a collaborative learning community. There are opportunities for Sixth Form students to be Subject Ambassadors and get involved in the main school by working in a faculty or subject area.

To support and inspire our younger students, Year 12 students can work with teachers in a number of ways

Please see the roles and responsibilities below:

- Helping with co-curricular clubs
- Helping in lessons with Year 7 & 8
- Supporting with provision by working one to one with students
- Follow the instructions of the subject teacher you have been assigned to
- Abide by safeguarding training (provided by us) when interacting with main school students

Person specification

To be successful in this role you will be:

- An enthusiastic promoter of the subject
- Positive
- Reliable
- Committed
- Creative
- Free to devote one to two lessons per week to the role.

If you would like to volunteer for this role, please email a short statement as to why you would like to be involved.
